

POLYPROPYLENE MESH >

POLYPROPYLENE MESH

DESCRIPTION:

The only choice of professional bale builders in Ontario, this mesh is imported from Europe and is advantageous for its:

- Ease of installation (simple to cut, light weight for carrying, large roll size for quick dispensing)
- Strength
- Non-corrosiveness
- Special welds that offer more surface area for plaster adherence.
- Perfect for cement-lime and lime plasters and the do-it-yourselfer.

PRICE:

\$575/roll (10 feet x 300 feet)

ORDER & DELIVERY:

- Minimum Orders: 1 roll
- Delivery Time: The season's order is placed to our overseas supplier in January of each year.
- Payment in full required at time of order. Pick up only, from Hillsburgh, ON.
